internationalrelations@paruluniversity.ac.in

Parul University invites International Scholars to conduct Research, Teaching or Training stay at our Campus.

Visiting Professor Fellowship Program is a unique opportunity for select scholars

Teaching and Evaluating Bachelor and Master students

To engage and provide sessions as per the defined curriculum and schedule (8-10 hours per week)

Research Stay

Joint Research Project work on Nationally or Internationally funded schemes

Training Stay

Training the Teachers of PU in their areas of expertise and research. (10hours per week)

Requirements and Conditions

- All scholar applicants must have a Ph.D. degree or the foreign equivalent that establishes their ability to conduct high-level teaching.
- Applicants must have at least three years of teaching and research experience at their home institutions.
- The selection criteria include teaching experience, quality of research proposal, depth of subject knowledge, originality of the proposal as well as feasibility of conducting the research at PU and match with a PU faculty member.
- Preference will be given to younger scholars who are in the early stages of their academic careers.

Admission

If you are interested in a PU Visiting Professor Fellowship, please submit the following documents:

- 1 A COVER LETTER, stating your motivation for a teaching/research/training stay at PU, including the preferred length of your stay (minimum one month) and:
 - For Teaching stay - thematic overlap with one or more of PU three Thematic Fields
 - For Research stay research proposal
 - For Training stay training proposal
- 2 A list of PUBLICATIONS
- 3 Curriculum Vitae
