

Four Campuses

Valencian Autonomous Community, Spain

- 10 km to international airport (ALC) and high-speed trains

- Safe environment, close to city centers
- Affordable housing: 350 - 450 €/month
- Dormitories/Apartments

Public University

- 14,000 Bachelor, master & doctoral students (53% ♀)
- 21,000 Total students (continuing education, etc.)
- Faculty: 1,297 (43% ♀). 53% full-time (69% with PhD)
- Staff: 669 (65% ♀)
- Research Personnel & Contracted to projects: 412

- 7 Faculties
- 2 Schools
- Program areas: Arts & Humanities, Engineering, Health Sciences, Sciences, Social & Legal Sciences
- 30 Bachelors + 5 dual bachelors
- 50 Masters + 2 joint masters

- Doctoral School: 16 PhD programs, 7 programs in alliances with Dominican Republic universities
- 8 Research institutes
- 11 Research centers
- 1,400 Indexed papers/year (SCOPUS)
- 90-100 Doctoral theses/year

International exchange

335 Erasmus agreements

143 Destino agreements

8 joint doctorate agreements: Belgium, Brazil (SPRINT-FAPESP-UMH), France, Norway, Portugal, Switzerland, United Kingdom

3 joint master's agreements (UAEMex, ISCAP-PORTO & Wrocław)

33 KA2 Erasmus projects with 43 countries last 10 years

7 Erasmus KA171 projects with third countries not associated (in 20 different countries)

Jean Monnet Chair, "Strengthening the European Union by reinforcing its values (ReinforceEU)" project

Ibero-America Espejo Program

Erasmus Mundus Master of Science in Skin Health and Care (EMOTION) (UMH, University of Eastern Piedmont (Italy) & UNamur (Belgium))

Member of NeurotechEU (alliance of European universities focused on the brain and neurotechnologies, integrating training, research and innovation)

Member of Ibero-American Graduate University Association, European University Association, CRUE (Conference of Rectors of Spanish Universities), Union of European University Alliances (U4All)

Development cooperation

- Health research in Latin American and Africa
- Health training and improvement to educational and health facilities in Algeria, Democratic Republic of the Congo, Gambia, Ghana, Kenya, Morocco, Mozambique, Senegal
- Volunteer program in Rwanda
- UMH Headquarters in Rwanda Chair

Sports, free time, leisure

- Student associations, youth orchestra, cultural events, workshops, theater
- Clubs & schools: cooking, music, fashion, adventure, gastro-environmental field trips
- UMH Radio
- Sports teams
- University sports leagues
- Environmental volunteering

Scientific Park

1,900+ Entrepreneurs mentored
1,200+ Projects guided
120+ Businesses supported
1 M€+ Awarded in grants & prizes
6,000+ advisory hours

UMH is the top public Spanish university in the creation of start-ups and spin-offs, with 1.44/100 faculty

Occupational Observatory

- More than 7,000 agreements with national and international companies and institutions
- Career & internship portal
- Mentoring
- Consulting for university students
- Entrepreneurial programs
- Job fair

94.4% of 2025 graduates in labor market

Rankings

- Among top 300 young universities with greatest impact on Sustainable Development Goals
- University located in Group 3 of U-Ranking
- 50 UMH scientists among top-cited worldwide (Stanford)

Language Center

- Language programs
- IRIS UMH program (English)
- Courses of Spanish as a foreign language

Bachelors

Arts and Humanities

Fine Arts.

Engineering

Agro-Food and Agro-Environmental Engineering, Computer Engineering in Information Technologies, Electrical Engineering, Electronic Engineering and Industrial Automation, Food Science and Technology, Industrial Technologies Engineering, Mechanical Engineering, Telecommunications Technology Engineering.

Health Sciences

Medicine, Nursing, Occupational Therapy, Pharmacy, Physical Activity and Sports Sciences, Physiotherapy, Podiatry & Psychology.

Sciences

Biotechnology, Data Science and Artificial Intelligence & Environmental Science.

Social & Legal Sciences

Audiovisual Communication, Business Administration and Management, Business Statistics, Commercial Management and Marketing, Fashion Management and Technology, Journalism, Labor Relations and Human Resources, Law, Political Science and Public Administration, Public Safety and Private Security.

Dual Undergraduate Programs

Political Science and Public Administration & Business Administration and Management, Political Science and Public Administration & Law, Audiovisual Communication & Journalism, Law & Business Administration and Management, Agro-Food and Agro-Environmental Engineering & Food Science and Technology.

ARTS AND HUMANITIES

Classroom

- Art Projects and Research

Online

- Cultural Studies and Visual Arts (Feminist and Queer Perspectives)
- History of Science and Scientific Communication

ENGINEERING

Classroom

- Agricultural Engineering
- Industrial Engineering
- Telecommunications Engineering

Blended

- Agroecology, Rural Development and Agro-Tourism
- Agro-Food Technology and Quality
- Automation and Remote Control for Water and Energy Resources Management
- Management and Design of Projects and Installations
- Management, Treatment and Use of Organic Waste
- Solar and Renewable Energy
- Valuation, Cadastre and Territorial Information Systems
- Viticulture and Enology

Classroom & Online

- HVAC and Electrical Facilities. Energy Efficiency

HEALTH SCIENCES

Classroom

- Development Cooperation
- General Health Psychology
- Physiotherapy for Management of Neuromusculoskeletal Pain
- Neuroscience: from Research to the Clinic
- Occupational Therapy in Neurology
- Public Health
- Sport Performance and Health

Blended

- Emergency Medicine
- Gerontology and Health
- Health Management

Masters

HEALTH SCIENCES (cont.)

Blended

- Infectious Diseases and International Health
- Social and Community Intervention
- Translational Neuropsychopharmacology

Online

- Clinical and Surgical Research
- Clinical Medicine Research
- Clinical Pharmacokinetics and Dosage Individualization
- Occupational Risk Prevention
- Primary Health Care Research

Blended & Online

- Psychological Therapy with Children and Adolescents

SCIENCES

Classroom

- Biotechnology and Bioengineering
- Computational Statistics and Data Science for Decision Making
- Erasmus Mundus Master of Science in Skin Health and Care
- Molecular Nanoscience and Nanotechnology

SOCIAL & LEGAL SCIENCES

Classroom

- Law and Court Representation
- Taxation
- Teacher Training for Secondary, Vocational and Language Education

Blended

- Account Auditing
- Advanced Accounting and Finance
- Business Administration and Management
- Human Resources Management, Work and Organizations
- Law and Digital Society

Online

- Crime Analysis and Prevention
- Equality and Gender in the Public and Private Spheres
- Innovation in Journalism

Blended & Online

- Criminological and Victimological Intervention
